Linhart Continuing Dental Education Program

Current concepts in American Dentistry: Advanced Implantology and Periodontics por la Universidad de Nueva York 2027-2028

Current concepts in American Dentistry: Advanced Implantology and Periodontics

La formación será impartida en **la Universidad de Nueva** York y está dirigida a cirujanos y periodoncistas de todo el mundo, que quieren actualizar sus conocimientos y mejorar la calidad de sus cirugías.

La finalidad de esta formación es adquirir los conocimientos necesarios para realizar una excelente planificación de casos complejos, con el abordaje quirúrgico más correcto y alcanzando la máxima estética en las cirugías.

Esta es una oportunidad privilegiada en la que va a poder recibir formación de diferentes conferenciantes de reconocido prestigio internacional.

El cursillista asistirá durante 4 semanas, una semana cada 6 meses, a la Universidad de Nueva York, donde tendrá el privilegio de escuchar a los maestros de la periodoncia e implantología.

Tras completar el programa, los doctores obtendrán la siguiente titulación:

-"***Current concepts in American Dentistry : Advanced Implantology and Periodontics"*** por la **Universidad de Nueva York**
